## PROFILE

I am a calm and serious guy with a touch of humor that lightens up life. I am socially skilled, and I enjoy working together with others. My strong work ethic ensures that I always give my best and strive to achieve my goals. In my free time, I love watching series and gaming with others, as I find joy in shared moments.

## HOBBIES

**Coding:** I love diving into programming, solving problems, and creating projects that combine logic and creativity.

**Watching Shows:** I enjoy relaxing by watching engaging stories, compelling characters, and exciting plotlines unfold on screen.

**Gaming:** I find joy and excitement in playing video games, whether it's for competition, exploration, or just immersing myself in a fun world.

**Hanging out with Friends:** Spending time with friends makes me happy, whether we're sharing activities, chatting, or just enjoying each other's company.
